20.12 What is the entrance test format for AIAPGET 2017?

All India AYUSH Post Graduate Entrance Test (AIAPGET 2017) shall be conducted on computer-based test (CBT) platform. This is not an Internet-based test, i.e. a candidate does not take the test over the Internet. Instead of reading the questions from a paper booklet and darkening the ovals in an answer sheet, a candidate will now read the questions on a computer screen and choose an answer by using a mouse to click on the appropriate option.

20.13 How is the computer-based format different from the paper and pencil format?

The only difference is in the way the questions are presented, and how responses are recorded.

20.14 What does a computer-based test look like?

A Demo exam/test will be made available on the AIAPGET website www.aiapget.com to provide candidates with the look and feel, as well as functionality of the actual test.

20.15 Can I take the exam from any computer?

No, a candidate will have to appear for the exam on a pre-assigned workstation of the test center allocated to him/her mentioned in the admit card.

EXAM DURATION & PATTERN

20.16 What is the duration of the exam?

The exam duration is 90 minutes and will be conducted in a single session. There will also be an additional 15-minute tutorial prior to the start of the test. Candidates will also need to accept a Non-Disclosure Agreement (NDA) before beginning the exam.

20.17 How many questions will there be?

There will be a total of 100 questions.

20.18 Can I move back and forth between the questions?

Yes, candidates will have the option to navigate between the questions via the Review Screen. Candidates are advised to make use of the Demo test on the AIAPGET website www.aiapget.com to familiarize themselves with the navigation and functionality of the actual exam. A 15-minute demo test will also be available prior to the start of the actual exam in the examination center.

20.19 What type of questions will there be?

The exam will only contain multiple choice questions (MCQ), each with four (4) options and only one (1) correct response

20.20 What is the syllabus / course on which the exam would be based?

The exam will include almost all subjects taught during the BAMS/ BUMS/ BSMS/ BHMS course as prescribed by CCIM/CCH.

20.21 What is the 15-minute demo test?

This demo test will be available 15 minutes before the actual exam starts. The demo test provides a series of screens that will orient you to the computer based AIAPGET. This will give you an opportunity to try the various features, including how to navigate between questions, review them, select, de-select, change and mark responses etc. The demo test has a total duration of 15 minutes and candidates are advised to go through it entirely before starting the actual test. At the end of the demo test, candidates will be asked to accept a non-disclosure agreement (NDA) before beginning the test. For a similar preview, candidates can take a tour of the Demo test which will be available on AIAPGET website at www.aiapget.com.

20.21 What is the Demo Test?

The Demo test is a sample of computer-based exam that is intended to familiarise candidates with the navigation and functionality of the AIAPGET. It includes a tutorial on using the various features of the exam like moving between screens, selecting, de-selecting, marking and reviewing responses etc., as well as some sample questions which will allow candidates to try out these features. Note that these sample questions are not representative of the content or difficulty level of the actual exam.
